## **MSC celebrates the 10<sup>th</sup> Anniversary with a fantastic party!** [Continued](#)

...

January 14, 2011 we had the pleasure of celebrating the 10<sup>th</sup> Anniversary of MSC Freiburg GmbH in the "Le Buffet" restaurant in downtown Freiburg. At the Champagne Reception, the MSC staff met company clients from the very beginning of the firm's existence, company associates, and many past employees. The result was a cheerful reunion and an exciting Reception.

Dr. Reißing opened the programme with a review of the past 10 years at MSC Freiburg. He showed the daily work at MSC Freiburg, from the perspective of a small, hand-held camera. Based on customer videos, it was possible to clearly demonstrate the application of our products in everyday usage. Afterwards he emphasised the opportunities and possibilities open to MSC Freiburg in the future.

A delicious and generous buffet-dinner followed. The experienced organisation-team provided an excellent assortment of beverages.

A further highlight in the evening's programme was the performance by a Magician. He delighted the audience with his tricks and stunts. Regardless of whether he performed using a rope, a banknote, an egg, or playing cards, the audience was astonished and delighted by his skill. Throughout the evening he succeeded in entrancing his on-lookers again and again by his "hand-made wonders", and was rewarded by their enthusiastic applause.

Mr. Gibson's confident presentation of puns and parodies added to the high spirits of those present, eliciting much hearty laughter. He was also very impressive in his presentation of a poem about his work with one of his customers.

An exuberant mood prevailed. In the course of the evening, the group "Artcoustic" provided the musical entertainment and excellent dance- music.

A tombola-draw rounded out the evening's programme. Here it was possible to win, amongst other things, a ticket for admission into the Europa Park in Rust, as well as the main prize of a radio which was developed and built by MSC Freiburg!

It was a very successful evening; one that we will long remember.

We are already quite excited about the next festivity!
